# WELCOME FROM OUR LEADERSHIP TEAM

At the Scott County Family Y, we believe that all kids deserve the opportunity to discover who they are and what they can achieve. Our Summer Camp programs are week-long enrichment programs and the next step in youth development. Our Summer Camps give kids a variety of options and experiences during their time with us. Whether you are looking for your child to connect with nature at our Camp Abe Lincoln location or something more familiar with our local branch options, we guarantee that your campers will be led by dedicated and highly trained Y counselors that excel in programming and providing an inclusive culture. Summer Camp builds on the Y's core values of caring, honesty, respect and responsibility and promises an amazing experience for every camper.
